I KNOW

the career I want to pursue and have printed out and reviewed the Career Profile from O-NET.

My Program of Study will be:

I will meet with a counselor to identify which classes I need.

Questions I have about my next steps are: _____

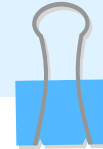

I'M NOT SURE

which career I want to pursue. I have printed out a few Career Profiles that I am considering.

I will meet with a counselor to review these Profiles and choose a Program of Study.

I will ask these questions to help me make a decision.

I HAVE NO IDEA

what career interests me.

I will go back to through the **START** and **EXPLORE** sections of the Café until I can identify some options I like.

I will meet with a counselor to determine which classes might help me identify a career direction.

GOAL PLEDGE

No matter where I currently find myself on my career journey, I will complete a **SMART goal** to help me move toward a career.

EXPERIENCE PLEDGE

To know if I am making the best career decision I will work through the **EXPERIENCE** section of the Café and find opportunities that will help me "try out" and validate my career choice.

ASSOCIATIONS PLEDGE

I will complete the **ASSOCIATION** section of the Café and identify and contact Professional Associations where I can gain experiences via informational interviews, internships, volunteering or mentors.
