

Exploration is an exciting way to start thinking about your career or a new adventure.

STEP 1. Explore!

**More information means better decisions.
Take a little time to consider the following:**

- If you didn't get a chance to watch the video on the Home page it's time to consider it now! **WATCH VIDEO**
 - Know the Growing Industries in Orange County.
 - Which careers in those industries interest me? **O'NET**
 - Take a look at your college catalogue to check out the classes in that major or pathway. They should sound interesting to you.
1. Go to the **EXPLORE SECTION** of occareercafe.com and using the results from your career assessment decide on three pathways you want to compare VIA ONET.ORG
 - a. _____
 - b. _____
 - c. _____
 2. Use the **"TAKE ACTION" WORKSHEET** in each pathway you are considering to gather the information (you can share it with your advisor)
 3. Complete the **THINKING CAPS WORKSHEET** in the **"DECISION LESSON"** to help you choose.

**REMEMBER,
IF YOU DO
SOMETHING YOU
LOVE, YOU'LL
NEVER WORK
A DAY IN
YOUR LIFE.**
